

Back in February and before the Covid Pandemic hit in March, it was decided that Plain Grove Church would begin a kid's club for students in grades two through six. Because of CDC guidelines, we are going to begin a virtual kid's club until we can meet in person again.

Our plans are to have meetings twice a month. We will meet on the second and fourth Mondays of the month from 7:00 – 7:45 pm. We will be using the Google Meet platform for meetings. That means that a gmail account will be needed. Our first meeting will take place on October 12<sup>th</sup>.

If you are interested in having your young person be a part of the youth club, please send your child's name, email address, and grade to Mary Campbell at [madcampbell57@gmail.com](mailto:madcampbell57@gmail.com).

We are looking forward to beginning a new fun experience with the children of our congregation.
